Denise Cabrisas
2115 Powers Ferry Rd SE Apt. F
Marietta, GA 30067

Dear Denise,

It is with great pleasure that I officially announce your selection as an inductee into the Illinois State University 2011 College of Applied Science and Technology Academy of Achievement. There were so many exciting success stories found among the 40,000 College alumni that the selection teams found identifying recipients both rewarding and difficult. So please accept my congratulations and that of the entire College on your noteworthy accomplishment.

All of us in CAST look forward to recognizing your professional achievements and service to others when you return to campus Friday, May 20, 2011. We are eager to celebrate your success at a luncheon followed by a reception. At the luncheon you will be inducted into the CAST Academy of Achievement with six others who represent the diverse disciplines within the College.

Your success reflects positively on the College of Applied Science and Technology and we sincerely hope you will accept this prestigious nomination to be inducted into the College of Applied Science and Technology Academy of Achievement. Soon you will be contacted again by us, as well as the chairperson of your department, to insure your visit is a fun and rewarding experience. You will receive a detailed itinerary for you, your family and invited guests who wish to attend the ceremony. Please acknowledge this invitation by contacting Dr. Lori Woeste, Assistant Dean at 309-438-7602 or by email at lwoest@ilstu.edu to confirm your acceptance.

Again, heartfelt congratulations and I look forward to seeing you in May.

Best regards,

Jeffrey A. Wood, Ph.D.
Professor and Dean

Department of Agriculture, Department of Criminal Justice Sciences, Department of Family & Consumer Sciences,
Department of Health Sciences, Department of Military Science, Department of Technology,
School of Information Technology, and School of Kinesiology & Recreation
